**You do not have to worry about the future**

**A little smile will appear**

**A hug full of trust**

**We will join hands!**

**Anika!**

## **Newsletter 1, December 2006**

### **A message of Inmenszo!**

Just before I leave, I would like to inform you all about what has happened the last few months and what is going to happen in the months to come.

As of September 2006 up to my leave, I have been busy establishing the Inmenszo foundation. I also had to take care of all the administrative and organisational activities that come with it. Fortunately, I was supported by many very kind people. They listened, deliberated, provided me with tips and the required voluntary contributions to realize my dream.

For those who do not know yet what the Inmenszo foundation stands for, herewith a brief summary. The Inmenszo foundation has the objective to support the orphan children in Cusco (Peru) by letting them study and creating places in which they are able to gain work experience. In Peru, many companies work with family or friends and as a result, orphan children are all on their own and turn to drugs and drinking because of their hopeless future. Inmenszo is trying to change this situation by financing and supporting these children with their study or practical training.

### ***Charity tournament golf club de Pettelaar, my dream turns into reality***

That Monday morning could not have started better when I heard that the foundation was going to receive Euro 6,150.- from golf club de Pettelaar. Edwin Wesselink (golf pro on the Pettelaar) collected this amount together with his team and they had decided to send the cheque to Inmenszo! I was so happy to receive this amount. I would like to thank them once again, also on behalf of the kids in Cusco.

### **Thank you, thank you**

Several companies came up with good ideas, actions or other ways to support the foundation. Alpha Flora in Moordrecht organised a 'vase action' and the foundation received a

wonderful contribution as a result.

MeerBusiness is supporting the foundation in my communication to companies via their newsletter and SQZI designed a website for us, free of charge. I would also like to thank Annemarie, Yvonne, Robin, Arjen, Kees, Rochus, Nynke, Acco, Don, Joop, my mother, Wilma, Pieter, Ronald, Leanne, Freek, Dylan, Anoeska, Sytze, Hans, Han, Ellen, Michel, Marja, Peter, Monique, Bert, Henri, Jolanda, Henry, Emile, Lianne, Ruud, Trudy, Govertine, Esther, Nelize, Anouk, Caroline, Manon, Marco, Angelique, Edwin, Joost, Willem, Gerard, Martin and Alex for their tips, advice and moral support.

### ***Finally...***

With this e-mail, I would like to thank you for your confidence and unconditional support in every way possible. On December 28, I am going to travel to Cusco for 4 months. I will celebrate the turn of the year and Easter on the other side of the world but you are able to follow me on [www.anikavanderkevie.waarbenijj.nu](http://www.anikavanderkevie.waarbenijj.nu). As soon as the website [www.inmenszo.com](http://www.inmenszo.com) is activated, my weblog will be posted there and you will be able to read all about my activities. I will inform you about it as soon as it is ready. You can always reach me by e-mail while I am there: [info@inmenszo.com](mailto:info@inmenszo.com)

I hope that this e-mail is able to share my feelings with you about my dream. I wish you all happy holidays and an inspiring and unlimited 2007! May your dreams come true...

See you all in spring again, I will miss you.

### ***Love, Anika***
